

# Campership Application

**Prepared. For Life.™**

This application is for Financial Assistance for those in need who may not otherwise be able to have a summer camp experience.

**This application must be filled out completely by Scouts' parents, signed by their scout leader, and received at the Mall Service Center by April 1, 2012, to be considered. All information is kept strictly confidential. Allocation of campership funds occurs before June 1, 2012 and a credit will be applied under the Scout's name for the particular camp he is registering for. Campership funds are not transferable.**

Camperships are NOT AUTOMATIC! They are awarded based on financial need for an amount between 10% and no more than 50% of the Early Bird Registration Fee.

The ninth point of the Scout Law is "A Scout is Thrifty." Through parent and unit education, training, and direction Scouts are encouraged and expected to earn a portion of their camp fees.
