

TRAINING REQUIREMENTS FOR RECHARTERING

Please remember that Five Rivers Council has a *mandatory training requirement* for your unit to recharter. The schedule, which went into effect in 2011, is listed below. If your units' leadership does not have the appropriate training, then they will not be able to recharter with that leader in place. It's important to remember that the youth deserve a trained leader! Five Rivers Council, BSA does provide a one year exception to new units and new unit leadership. It is important to remember that this is only good for one year.

2011 Cubmasters – YPT, Cubmaster Position Specific
Scoutmasters – YPT, Scoutmaster Position Specific & ITOLS
Advisors & Skippers – YPT, Venture Leader Position Specific

2012 All in 2011
Assistants (Cubmasters, Scoutmaster, Advisors & Skippers) – Same training as above
Den Leaders (Tiger, Wolf, Bear & Webelos) – YPT, Their Position Specifics

2013 All in 2011 & 2012
Assistant Den Leaders – Same training as above
Unit Committee Members – YPT, Pack or Troop Committee
(Crews take Venture Leader Position Specifics)

In your program packets, and online at www.fiverivers.org, you will find the schedule for all of the training in the council throughout the year. You can also take many of these trainings online at www.myscouting.org, when creating or accessing your account please be sure to put your membership ID number into your profile. Also, if there is an out-of-council training that is more convenient to you then please take it, just remember to provide a copy of your training card to your District Training Chair so that you will receive credit for the training you have taken.

If you have any questions about this or your trained status please contact your District Training Chair. You can also look up your (or anyone in your units) training on file at www.myscouting.org
