2016 Boy Scout Requirements

<http://www.fiverivers.org/resources/advancement/2016-rank-requirements/62315>

Effective January 1, 2016, Boy Scouts will have new requirements for advancement in all ranks. The ranks of Scout through First Class have the most changes; Star through Eagle Rank and Palms have minor changes. Depending on when you joined Boy Scouts and your rank, you may have options to continue working on 2015 requirements before transitioning to the 2016 requirements. By January 1, 2017, all Scouts will work toward the new rank requirements.
