2018 Sporting Clays Shoot

“Thank You” for the Generous Support

The 2nd Annual Sporting Clays Shoot, held on the last weekend of September, was a resounding success. The books are closed and the total is final. Your financial support dramatically helped make this year a success and it far exceeded the committee’s expectations. These are the organizations, clubs and local businesses that supported the event and everyone is encouraged to support them in any way possible.
