The Scoutmaster & Assistant Scoutmaster Basic Training Camp Gorton – September 21-23, 2018

Your Council Training Committee invites you to participate in Scoutmaster Training. These skills are critical to the success of the Scouting program. This weekend of training provides Boy Scout Troop Leaders with the full range of basic skills needed to provide a quality program to the Scouts in their unit meetings while mastering basic camp skills.

This course is being held at Camp Gorton from 8:00PM 9/21/18 to 1:00PM 9/23/18, and is required for all Scoutmasters and Assistants to complete their basic training and recommended for Venturing leaders.

Participants who have already completed SM/ASM Specific do not need to arrive until 8:00am Saturday. However, Friday night accommodations are available and recommended.

The staff will help you learn how to guide your Troop and Youth Leaders at your weekly meetings, set up camp, cook, work with woods tools and rope, first aid, planning campfires, map and compass skills, hiking and packing techniques, nature identification, and "Leave No Trace". Each session brings to life the pages of the Boy Scout Handbook and will increase your comfort level while giving you the confidence of a trained, skilled leader. The program also gives you the opportunity to meet & work with other Scout leaders from your area, make new friends, and reinforce skill techniques with fellow unit leaders.

The **EARLY BIRD** fee of \$25.00 must be received by Sunday, 9/9/18. **AFTER** that date, the fee is \$35.00 per person.
