All Applications collected from September 1 through the end of the December must be turned in and registered during the month that the individual signs up – do not hold these applications until rechartering.

*** However, please note that any applications that are turned in with the charter must include the prorated fee from the joining month for the remainder of the calendar year. Fees for 2019 should be paid for with the charter. Therefore, any Scout or leader application turned in with the charter paperwork must include the following fees in addition to the yearly charter fees.
