

YEAR 'ROUND CAMPING AWARD

FOR TROOPS AND TEAMS

Purpose

To encourage Troops and Teams to keep the “outing in Scouting” by having a monthly outdoor event (in this process most units would also qualify for the National Camping Award.)

Requirements:

1. Hold a Troop or Team overnight camp-out once each month for 10 of any 12 month period. (Camp-O-Rees, Jamborals, Rendezvous and Operation on Target, count as one camp-out.) Summer camps, Scout and Varsity Scout, count as one camp.
2. Camp-out must be under a Troop or Team plan, under the sky, canvas, or improvised shelter (no campers, cabins, RV's, Trailers or anything similar will count—family camping trips do not count—this is a Scouting Award.)
3. For each camp-out a TOUR PERMIT must be filed.
4. One of the 10 camp-outs must be a BSA or unit long-term camp (5 or more days) such as a summer camp, winter camp, Teton High Adventure Base or Varsity Scout camps (72 hours or more).

What To Do Now

Make sure your year's calendar includes the necessary 10camp-outs. Be sure to include District Camp-o-Reez, Rendezvous, Jamborals, and summer camps toward your goal.

DEVELOP A POLICY OF "WE ARE GOING CAMPING ON THIS DATE NO MATTER WHAT!"

Do not plan a date and then not carry through. Boys will not return next time if you disappoint them once.
